

TheraFace Mask

Reduce Wrinkles

Firm & Contour

Even Skin Tone

Improve Radiance

TheraFace Mask is a breakthrough FDA cleared LED skincare mask that delivers effective, full-face Red, Red + Infrared, and Blue light treatments with added tension-relieving vibration therapy. Clinical studies showed firmer, smoother, healthier-looking skin with a visible reduction in fine lines and dark spots in as little as 8 weeks.*

What makes it special

With 648 medical-grade LED lights, TheraFace Mask has 3x more than the leading mask competitor. This ensures full-face treatment coverage and maximum efficacy in the shortest amount of time.

9-minute preset treatment can be customized with quick **3-minute treatments** for specific skincare concerns.

Red Light
Reduce fine lines, wrinkles & dark spots

Red + Infrared Light
Stimulate collagen production & firm skin

Blue Light
Fights acne & acne-causing bacteria

Vibration therapy

Tension-relieving vibration therapy targets key pressure points around the eyes, browline, temples, and scalp with a relaxing massage. 3 vibration modes.

Includes a **15-minute massage treatment** without lights.

Key features

- FDA-Cleared, Class II Medical Device
