TheraFace Mask Glo

Reduce Fine Lines & Wrinkles Firm & Tighten Skin Even Tone & Texture

Clinically proven technology

TheraFace Mask Glo is a dermatologist-approved, FDA-cleared LED mask that combines Red, Red + Infrared and Blue light with a relaxing scalp massage for glowing, healthier-looking skin. Featuring 504 medical-grade LEDs and a cordless, lightweight, breathable design, it delivers an effective, full-face treatment in just 12 minutes. Powered by clinically proven light doses to visibly reduce fine lines and wrinkles, firm and tighten skin, and even tone and texture in as little as 8 weeks* – all at our best price yet.
