

# CANDo®

## Hi-Lo Treatment Table, 3 Section, Vinyl Top

- **Large Treatment Surface** - Table measures 78" (198 cm) length x 30" (76 cm) width
- **Fully Adjustable for Maximum Comfort** - Head section tilts from -90° to +45° and leg section raises up to 85° to find your perfect position
- **Easy Electric Height Adjustment** - Convenient 360° foot bar raises and lowers the table when pushed up or down on any of its four sides
- **Powerful, Quiet Motor** - Smoothly adjusts from lowest to highest position in just 30 seconds
- **Wide Height Range** - 20.6-inch (52.5 cm) adjustment range accommodates various treatment heights and client needs; table height adjusts from 17" (43 cm) to 37.6" (95.5 cm)
- **Built-in Paper Roll Bar** - Integrated bar holds a roll of treatment table paper for easy dispensing and quick replacement between patients
- **Nose Hole Cutout / Face Cradle** - Removable nose/face cushion and plug provide comfort when lying face-down
- **Premium 2.5-Inch (6.4 cm) Cushioning** - High-density foam padding provides lasting comfort and support
- **Durable, Easy-Care Upholstery** - Vinyl top resists stains, moisture, and everyday wear
- **Clean, Modern Look** - Enclosed base hides all mechanical components for a sleek appearance
- **Heavy-Duty Construction** - Safely supports a weight capacity of up to 550 lb (250 kg)
- **Stable on Any Surface** - Adjustable leveling feet keep the table steady, while quiet-glide 3" (7.6 cm) casters allow easy repositioning
- **Hospital-Grade Power Cord** - Green dot hospital-grade plug ensures safe operation in clinical environments
- **Quality Certified** - Meets FDA and CE safety standards for your peace of mind
