

Air Traveler™

Stirrup Walker

The Air Traveler™ walker features a circumferential air bladder that provides the ultimate compression and security for the wearer.

DARCO

Air Traveler™ Features and Benefits:

- › **Circumferential Air Bladder** - provides the ultimate compression and security. The patient can easily adjust pressure.
- › **10 mm EVA Insole** - patient comfort and support.
- › **Five way strapping system** - five heavy duty straps adjust to patients needs, keeping liner secure.
- › **Low profile** - the Air Traveler™ is one of the lowest profile walkers on the market.
- › **Rocker Sole** - the Air Traveler™ has a slight rocker sole to aid patients' transition from heel to toe.
- › **Anatomically Contoured Spatula Stirrups** - conform to the leg and immobilize the ankle comfortably.
- › Assigned HCPCS code **L4360**

Air Traveler™ Indications:

- › Soft tissue injuries (grade 2 and 3 sprains)
- › Stable fractures
- › Postoperative use
- › Trauma and Rehab
- › Other conditions recommended by a physician
