

Why choose Orfiguard?

- ✓ Effortless fabrication method for quick and easy application.
- ✓ Universal fit, yet trimmable and adjustable for optimal sizing, especially great for younger patients.
- ✓ Excellent conformability for a precise fit.
- ✓ Small holes in the mask offer superior comfort on and off the field.
- ✓ Uniquely designed head straps ensure the mask is secured in place and provide a more comfortable fit.

At the top of their game, athletes need to maintain singular focus. However, unforeseen facial injuries can throw them off course. This is where Orfiguard steps in, offering the necessary support for athletes to finish what they started.

Let them stick to their goal, we'll stick to ours.

"The mask is lightweight and comfortable, and the uniquely designed head strap is a true game-changer."

Vanessa Blockmans (24), proud member of the **Belgian National Female Hockey Team** suffered a nose fracture four years ago. She was able to continue playing thanks to a face guard made from Orfit materials. Now, she is one of the first people ever to try our Orfiguard face protection mask.

When to use?

- ✓ Injuries at the nose, nose bridge, eye sockets or a combination.
- ✓ Post-operative care.
- ✓ Any other condition that requires facial protection.

Recommended for use by

- ✓ Rehabilitation physicians and therapists.
- ✓ Athletic trainers.
- ✓ Cosmetic surgeons.
- ✓ ENT and Maxillofacial surgeons.
