

PREMIUM ARTHRITIS GLOVES

TRIOXON® ADVANTAGE

Exclusive Trioxon 3 dimensional lining provides heat therapy & pain relief. Soft, comfortable inner layer wicks away moisture. Middle layer helps increase skin temperature for heat therapy. Outer layer provides light compression.

Thermoskin Premium Arthritis Gloves are specifically designed to relieve arthritic pain in the fingers and hand. Thermoskin’s exclusive combination of clinically proven heat therapy and gentle compression work together to bring natural relief from arthritic and joint pain. Textured outer layer provides additional grip for everyday activities and the open fingertips allow a better sense of touch. Adjustable wrist closure is easy to apply and provides a better fit.

PRODUCT ADVANTAGES:

- Lined with the exclusive Trioxon® Advantage material for heat therapy and pain relief
- Clinically tested to increase skin temperature and blood flow for pain relief
- A recent independent University study found that wearing Thermoskin Gloves provided substantially greater (4°F) skin temperature and greater blood flow (20%) compared to not wearing the gloves
